

Prefill solvent-based

TSP 100

- Is pre-filled with propellant compatible with most brands of solvent-based paints.
- The paint is transferred via a filling device into the can to produce a ready-to-use end product (dealers liability).
- Adaptable spray nozzle for horizontal (spray gun effect) to round (for closed parts) alignment of the spray pattern.
- Higher spray rate and higher working speed.
- Ideal for spot repair.
